## LUCIFER WIRED

Twentieth Century Satan Travels the Globe on Power Lines

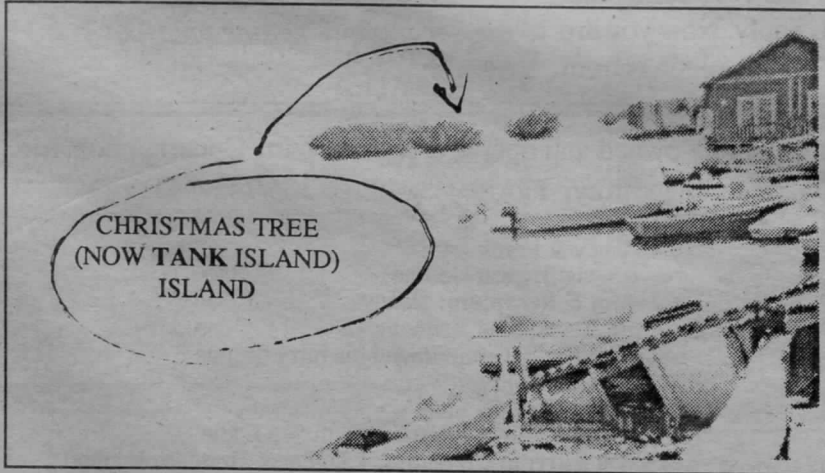

This manikin was not assembled by a human... see story Page 3 or so . . .

City Electric officials have confirmed, emphatically, that the cross which shows quite clearly in this (real) photograph has nothing to do with electrical service. The fact that an arm is missing simply verifies the presence of bezlebug.

### CHRISTMAS TREE ISLAND GIVEN NEW NAME

Irate citizens of Key West protested, yesterday, the name of Christmas-tree Island. "It don't Make no sense atall," said John Loam, speaking for the group, " 'Tank Island' has a much better ring to it." A vote was taken and it passed pretty much unaimously.
